HOW TO READ YOUR ASTRO-GUIDE REPORT

The Astro-Guide report from World of Wisdom enables you to plan your moves for a period of three months and to perfect your timing in your love life, your relationships and your career. This report is based on the movement of the planets in this period in relation to your birth horoscope (which is shown as a full color wheel at the beginning of the report). Transits of all the planets - Sun, Moon, Mercury, Venus, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto - are mapped, and the precise influence of these contact to your birth chart is described in a short and concise text.

However, it is not enough to read about an influence. What is important is to know how to act. There are times when it is crucial to take action, and times when it is wise to keep a low profile or remain passive. In relationships, sometimes you need to powerfully defend your position, at other times it helps to know when you may be on the wrong track. The Astro-Guide report helps you by imagining what kind of questions you might ask yourself as a result of the astrological influence. And providing answers.

What would happen for example, if the planet of love, Venus, came to conjoin Mars in your horoscope? The Astro-Guide report describes this influence in this way:

Love and Excitement: You are turned on today. Dance, romance and make love. Be assertive and forget the finer sensibilities for a while. Enjoy your desires.

It then goes on to suggest that you may ask the question: Is it OK to flirt? and the answer is clearly: If you don't flirt today, you'll never flirt. The suggestion of sex definitely spices up life, and today you should be thinking about how to be more alive..

By using a question and answer technique in the reports (there are three questions and three answers for each influence) you, the reader, have to really think about what you are feeling, and if you are in doubt, then the answers will enable you to follow what you unconsciously know is the right path. In this way you can use the report to plan ahead, avoiding days when negative trends decrease your chances of success, and making the most of days that are astrologically favorable for you.

Whilst this report shows trends that last from just one day to several months, it is important to also understand your personal birth chart in depth. If you have not already had one made, it is really worth ordering World of Wisdom's Birth Horoscope report. This describes your character in detail, both in relationships and in your career, and it also contains are more detailed description of long-term trends that are affecting your life in the years ahead. If you would like to learn more about your horoscope, a concise description of the planets, signs, aspects and houses is included at the end of this report.

Some things to remember when you read your report:Some things to remember when you read your report:

Your birthday: The program registers when the Sun returns to the exact place it was when you were born. In some cases this can happen on the day before or after your official birthday!

If you find there are days when there are no influences, this is because no planets activate your birth horoscope that day (although the Moon will).

The influence of the Sun, Mercury, Venus and Mars is very transient, whilst that of Jupiter, Saturn, Uranus, Neptune and Pluto can last many months. All the interpretations take this time element into consideration.

Retrograde movement: Occasionally the planets appear to stop and move backwards (owing to their relative movement in relation to that of the Earth). This can mean that the same influence will be shown more than once in the report.

Transiting Mars positive your Midheaven

LEADERSHIP MOVES: Initiatives will impress those at the top. Muscle in on the action, and don't take no for an answer. Actions speak louder than words.

How important are material considerations now?

You cannot make progress in your career without sufficient resources. Concentrate your energy on your economy, and make efforts to generate money.

Can I succeed alone?

It's important that others right now do not impede your initiatives, but if you can galvanize willing helpers, you will make progress much faster.

Who should be doing what at work?

Take the lead yourself, and don't wait for others to make up their minds. Once you begin, others will follow.

Transiting Venus positive your Mercury

WORDS OF LOVE: Whispered soft and true. Not only do you put your ideas across beautifully, you can also expect people to say nice things to you. Good fortune.

What can I expect on my travels today?

Very pleasant encounters. Today you should travel for love, and travel for profit - both areas are well starred. Give yourself extra time to enjoy the journey, and treat yourself on the way, and when you arrive.

What kind of projects should I get involved with?

Get together with people you like. Anything to do with literature, creativity and ideas is favorable. It is easy to reach mutually beneficial agreements now.

How can I best communicate with those closest to me?

Being complimentary makes your day happy and smooth. Put your reservations aside and express your latent love in words and deeds.

01-04-2022

Transiting Jupiter positive your Moon

FEELING GOOD: The quality of life has never been so fine. There is a sense of being cared for. You have the resources to expand and enjoy your home and family.

If I want to move, should I do so?

Move to a bigger and better place if you can - it is certainly worth a try. It's also a good time to relocate, perhaps internationally, if it will advance you.

Should I settle down and have a family?

It's a great time for home and kids. This brings happiness. There can still be much travel, and much cultural stimulation, but you need to feel you belong.

What are my potentials for growth in this period?

The world is your oyster. If your foundations are secure, you can expand your influence far and wide. Gain understanding of unconscious motivations first.

02-04-2022

Transiting Mars challenges your Saturn

WHEN THE GOING GETS TOUGH: ...the tough get going. You can take a bruising today. Authority is questioned. Grit your teeth, resistance will make you stronger.

What should I do if I hit a brick wall?

There are ladders, tunnels, doors. Obstacles are stepping-stones on your path. If it were that easy, the goal would not be worthwhile. Stop, take a look - there IS a way through.

How should I handle run-ins with authority?

Don't get mad or frustrated. There's a reason for the problem. Be patient with authority and get to understand where they are coming from. Don't kick against the pricks, or it will hurt.

How can I improve my performance?

Whether it's sexual or professional... take your time. Don't try to achieve results all at once. Build things up a little at a time, then you will achieve your goal.

Transiting Mars positive your Ascendant

CARVING A PATH: Take initiatives to make new moves along your chosen path. Friends and loved ones can be enrolled by your enthusiasm. Be spontaneous and strong.

How can I best promote my cause?

Make your opinions heard by recruiting people who share your views. Expand your sphere of influence by travel, study and lobbying.

Is it OK to be competitive?

Competition can sometimes be a celebration of life. When you win, you feel very alive. Make life a sport.

In what areas can I best express my energy today?

Give play priority. Go out and enjoy yourself. Fun, games, dance and seduction are all areas in which you can apply your talents.

Transiting Venus challenges your Uranus

ROMANTIC RISKS: You're tempted to cross boundaries today. Risks in love bring excitement but no security. An experiment may be called for to reduce distance.

Should I make a sudden move in a relationship?

It's not wise. The urge for independence is strong, but there can be regrets. Take a day off from the demands of love, and meet some interesting and exciting people.

How are new people who come into my life today?

Those you meet today are on the fringe. There is an aura of unreliability. This may not be safe. Amazonian women declare their rights, but protest too much.

How should I handle restlessness?

Do something different today, and meet new people. Unusual social environments will stimulate you, but also remind you of the value of what you already have.

Transiting Sun positive your Venus

GET POPULAR: People want to get to know you today, and with your charm, why not? Your judgment is at its best, and you surround yourself with those you love.

What role can diplomacy and charm play today?

It's important to win people's hearts first; then you can influence them. Don't be afraid to turn on the charm.

What are my chances in the romance department?

You are emanating your most attractive side today. Be yourself, be loving, be romantic. You ARE worth it.

Is it wise to spend some money today?

Be generous - both to yourself and to loved ones. If money is in short supply, then shower affection on those you hold dear.

Transiting Mercury positive your Venus

EXPRESSING KINDNESS: Aesthetic and intellectual pleasures bless your day. Take a pleasure trip, or communicate with someone you love. People say nice things.

Are compliments meant sincerely today?

People cannot help responding to the way you express your love and kindness. People really mean it when they flatter you, so take it with good grace.

Is it a good time for love?

It's a great time for love talk! Though the energy is more friendly than erotic, you cannot fail to get a good response. Words of love must be spoken!

Is it a good day for going out?

It's a great day, especially in the company of friends or loved ones. You should be looking for aesthetic entertainment that stimulates mental purity.

03-04-2022

Transiting Mars challenges your Moon

DISTURBED: Emotional upsets and threats to your security. The insensitivity of others angers you and makes you defensive. Hedgehogs know how to handle this.

How should I react to provocation?

It's no use being passive, but neither should you lose your cool. Express your feelings without getting carried away. Explain to others what it is that upsets you.

How should I handle domestic confrontation?

If you examine your situation, you'll find that it's your own emotional reactions that are causing problems. You're impulsive and aggressive. Don't get mad, get active!

How can I best deal with emotional upset?

Channel your energy into activity at home and at work. Count to 10 before responding. Set firm limits for others during these edgy days.

05-04-2022

Transiting Mercury challenges your Midheaven

DISTRACTIONS AT WORK: Hectic activity and interruptions can distract you from your goals for the day. You'll have to get organized to get your message across.

Should I shut out distraction and concentrate on the matter at hand?

You probably won't be able to. Accept the fact that people are going to come in and out, and deal with one thing at a time.

How should I react to communication from family members?

Expect distractions on this front today, too. You may not agree with them, but give siblings and other family members your patient attention.

Is it a good idea to travel on matters of business?

It's quite likely, and it's good to get out from the office. You need some fresh input.

Transiting Venus challenges your Jupiter

COMPROMISED JUDGMENT: Appetites are strong, and this could prove costly. Though you're convinced your choices are right, it's doubtful your credit stretches this far.

Shall I spend lots of money today?

Your extravagance peaks today, whilst your judgment is swayed by sensory desire. Don't spend money on people and things that are not worth it.

Should I give in when I know better?

You can be persuaded! Charming people appeal to your tolerance and generosity, and how can you resist? Still, avoid investing in something which is not to your taste.

Should I expect extra expenses today?

High costs can sometimes not be avoided, especially when traveling. You may need to spend more than you wish to smooth the path.

06-04-2022

Transiting Mars positive your Mercury

MAKE CONTACT: Ideas are buzzing and put you in motion. Make a short journey, mail or phone your connections. Communication initiatives smooth the path ahead.

Should I act on the ideas and messages I receive today?

Yes, immediate action is required. It could be a question of mobilizing people with similar ideas to get something done. It's time for a meeting.

Should I resist my restless urges?

No - it's best to get out and about. Travels and meetings galvanize you into action and inspire you for the future.

How much priority should I give what other people say?

Not a lot. Make up your own mind today, and persuade others if need be. Put your ideas on the agenda, and make sure they get adopted.

Transiting Mercury positive your Ascendant

EXPRESS YOUR IDEAS: You smooth relationships through well-chosen words. Ensure you make contact, even if it means travel. Communication is the key.

How can I make the best impression today?

It's crucial to express yourself in one way or another. Get on the right wavelength with others and let them know what you are thinking. A stimulating conversation can make your day.

Should I allow myself to be distracted by others?

Yes, what a good idea! It's the distractions that make life fun, so drop what you are doing and take a trip with friends just for the hell of it.

Should I make time to discuss things with loved ones?

There's never been a better time. Say whatever has been on your mind that you've been holding back. Listen carefully to the response. Play ping pong and have fun.

07-04-2022

Transiting Sun challenges your Midheaven

AUTHENTICITY CONTRA DUTY: There are demands on your leadership qualities both professionally and in your domestic life. Don't let it go to your head.

How should I react to the demands of those in authority today?

You risk censure if you pit yourself against those in power. Assert your leadership without forcing others to lose face.

Should I insist on having things my way at home?

It's important for you to imprint your identity onto your domestic and family life. Try to do this without being arrogant or autocratic.

Should I strive for more recognition?

The need is certainly there. However, if you appear self-righteous or arrogant, you will evoke resistance. Assert yourself... humbly.

Transiting Mercury positive your Mercury

THOUGHTS HUM: This is an excellent time for expressing your thoughts and ideas. Make sure people hear what you have to say, and deliver your message with wit.

Is this a good time to contact people who have influence?

If you have something you want to ask for, then at least you'll be able to ask for it in style. Your powers of self-expression are at their best.

Should I put off writing or do it now?

As you are at a mental peak now, it's best to resist an inclination to laziness, and get writing or communicating - today!

Is it responsible to go traveling now?

There's a time to be responsible, and a time to have fun. This is the time for pleasure and play... you could learn something.

08-04-2022

Transiting Jupiter challenges your Mercury

OVERBLOWN IDEAS: Don't get carried away. Your mind is full of ideas, but are they practical? Avoid poor advice, and don't rush around chasing chimera.

How shall I handle all the tasks at hand?

Don't be busy for its own sake - make careful judgments about what is truly necessary. Try and calm the whirlwind of your mind. Avoid distractions.

Can I expect life to be fair?

There can be a sense of injustice, especially as regards friends and siblings, or in educational matters. There are lessons to be learned about honesty and

plain speaking.

How should I handle discussions and intellectual competition?

Keep your own counsel rather than throwing opinions around. There is a tendency to superficiality in this period. Adopt a humble attitude, and learn.

Transiting Venus challenges your Sun

AUTHENTICITY CONTRA CHARM: Smiles and flattery can get you a long way, but there can be a sickly feeling if the charm is turned too high. Tastes conflict.

Who shall I be on guard against today?

Don't trust obsequious types. Those who flatter you today are thinking of their own gain.

Should I spend money on myself?

You're tempted, but the demons of vanity are strong. Your judgment is not at its best, and you are likely to spend too much on the wrong thing.

How can I make a good impression on others?

Don't try. At all costs avoid ingratiating yourself. Don't bring gifts that are not appreciated. Modesty and restraint create a favorable impression. Flirting falls flat.

10-04-2022

Transiting Sun positive your Ascendant

INTO THE LIMELIGHT: Show people who you are and what you intend to do. You can light the way for others. Don't hesitate to project yourself. Expect recognition.

How much priority should I give partnership?

What's good for you today is good for your partner. Whatever you want to reach, partners will be motivated to help you reach it.

How can I make progress on the road ahead?

The important factors are: friends and those with influence, training and educational skills, and being able to sell yourself. Believe in yourself.

Can I make it alone?

Maintain your independence, but be open to advice from mentor figures. People are only too willing to help you on your way.

Transiting Mars challenges your Uranus

DANGER MAN: If you are provocative and contrary, you invite trouble. Impatience and boredom lead to recklessness. Act in haste and you'll repent at leisure.

How should I handle the unpredictable?

Sudden change can be completely beyond your

control. Don't try to find causes. Concentrate on the new situation - there may be opportunities that you never thought of.

What will turn me on today?

Breaking the rules will turn you on. You can take a walk on the wild side, do what you mustn't, be naughty - just be aware of the risks involved.

Shall I insist on what I want?

You'll make enemies. There is no rhyme or reason to your desires today, and by insisting on them you will alienate others. Still, sometimes it's good to be bad.

11-04-2022

Transiting Venus conjoins your Mars

LOVE AND EXCITEMENT: You are turned on today. Dance, romance and make love. Be assertive and forget the finer sensibilities for a while. Enjoy your desires.

How seriously should I take romantic encounters today?

When man and woman meet, sweet music results. Temptation is a primeval force; you may want to give in to it today.

Should I insist on getting my way?

No. Tone down your aggressive and assertive side, and use diplomacy and consideration, where you may previously have wanted to fight.

Is it OK to flirt?

If you don't flirt today, you'll never flirt. The suggestion of sex definitely spices up life, and today you should be thinking about how to be more alive.

12-04-2022

Transiting Mercury challenges your Pluto

INTERROGATION: What you don't know disturbs you. You anxiously uncover secrets. It seems that harmful information is buried somewhere. Avoid obsessing.

Is someone keeping something secret from me?

There are always secrets, but today your paranoia is awakened. If you dig up the whole of your garden, then what will happen to the flowers? You have your secrets, let others have theirs.

Why are my thoughts going round in circles?

You are accessing archetypal energy from within. Unless you harness it positively to uncover psychological issues, it will attach itself to, and channel itself through, your negativity.

Should I ignore difficult communication issues?

No - today is the time to put an end to gnawing

problems that have been plaguing you for some time. Diplomacy serves no purpose - cut through to the core and remove problems by the root.

Transiting Saturn positive your Mercury

MAKING PLANS: Get organized in this period and enhance your skills. A program of study is recommended. Preparation is everything. Work within defined limits.

How can I best develop and use my talents?

This is a good time for studying, communicating and writing. But it needs effort. With effort you can expect complete success. Capitalize on the motivation you are now feeling.

Where do my family responsibilities lie?

Work on communication - especially with siblings. This could mean anything from letter writing to paying visits. Your support is needed.

What business opportunities are there?

This is a great time for business. Steep yourself in the rules of commerce and excel. Seek experienced advice, make contracts and build up a network of associates.

13-04-2022

Transiting Sun positive your Mercury

CREATIVE COMMUNICATION: You're feeling pretty clever today, and you also want to be on the move. So meet people, or grab the phone, and get your message across.

Is what I've got to say important?

It's important to you, and if you want to make an impact, make sure your voice is heard. Use all your charm, humor and skill to make your influence felt.

Should I travel first class, or second class?

Sell yourself as high as you can. The best way to do this is to create a good impression. Take the first class option.

Should I do things myself, or delegate?

Don't get bogged down in details. Use your connections. There are skilled people just waiting to be of service.

14-04-2022

Transiting Mercury positive your Mars

ENTHUSIASTIC TALK: Make sure you express your ideas, even if it means shouting. Get out and about, be spontaneous, and mobilize your persuasive powers.

Should I fight to be heard?

Yes... today you can attract an interested audience, and have the power to get them enthusiastic. Whatever your heart beats for, get the message out.

How should I handle power play today?

It's all about communication. Make both the message, and its delivery, forceful.

How should I respond to initiatives?

Network with others and get into action mode. It's the combination of decisive action, interaction and a clear mind that brings success today.

Transiting Pluto positive your N.Node

POWERFUL MEETINGS: Contacts with charismatic figures and groups evoke a deep need to review your life purpose. There are decisive breaks with past bonds.

What kind of groups might I get involved with in this period?

You are likely to contact small but powerful groups who have a disproportionately large effect on the outside world. Their object may be to undermine the status quo and create reform.

How does group involvement relate to my own development?

Intense interactions with committed people may make you question your own comfortable life. You may consider abandoning a comfortable lifestyle for a higher mission.

How can I account for strange coincidences and meetings at this time?

People and events that rise from the past give you the opportunity to clear up unresolved matters. After dealing with past issues, you can turn your attention to a future that you are passionate about.

Transiting Mars challenges your Jupiter

BULLY BOY: You have strong convictions about what is right and fair, but express them self-righteously. You can be persuasive but don't browbeat the opposition.

How can I get people to see my point of view?

You'd be better off dropping persuasive tactics. The fact is, your need to be right is part of the problem, not part of the solution.

Should I jump at opportunity now?

You tend to act impulsively now, and your judgment is poor. Make an extra effort to listen to counter-arguments. Decide later, not now.

How can I win, or avoid losing?

Your desire to act flies in the face of your better judgment. You may cut corners and break rules, and lose in the long run. To win, research your case with

the best advisors.

16-04-2022

Transiting Jupiter challenges your Neptune

INFLATION: Dreams and illusions grab your imagination. There are no boundaries to happiness and sorrow. Euphoria gives way to disappointment. Spiritual lessons.

What's there to learn about life?

Everything is transitory. What is the most important thing in the world for you today, slips through your fingers tomorrow. Only spiritual values endure.

Should I capitalize on great ideas now?

Don't do that. Your imagination may be captured, but great dreams now are just vehicles for your longings and delusions. Be as realistic as possible.

If dreams crash, what then?

Dreams may not always come true, but it is important to let the imagination soar. Even though there may be material losses, there can be great spiritual gains.

17-04-2022

Transiting Venus challenges your Venus

LOVE AND MONEY ISSUES: Finance or romance - that's where the focus is. Try to avoid the old mistakes, but make sure you capitalize on your successes.

How can I improve my sense of self-worth?

Outer worth is reflected by the money you earn, the things you own and the people you associate with. But self-worth comes from an inner feeling of satisfaction. That's the place to start.

What should I guard against today?

Don't oversell yourself, or turn on the charm too high. You can pay too much for the privilege of feeling good.

How should I handle relationship issues today?

There is focus on your love life - its weaknesses and its strengths. The dangers lie in materialism, vanity and demands. The cure is to shower affection on your loved one.

19-04-2022

Transiting Mars challenges your Sun

UPSTARTS: You may have to fight for your position, but if you are motivated by pride your actions will not win acclaim. Self-assertion without dignity.

Should I assert myself if I feel under threat?

On the one hand, you can't take threats lying down. On the other you could overreact. Be as powerful as you can, but keep your dignity - and your temper.

Should I take an initiative and act?

You cannot remain passive. Act, but avoid as far as possible making enemies through headstrong behavior. It's better to assert yourself than to compromise.

Should I team up with others to attain my aims?

It may be better to get things done alone right now. Other people can be more trouble than they are worth, and your patience threshold is low.

22-04-2022

Transiting Mercury conjoins your Saturn

RESTRAINT: Go slow and get it right. Make plans, but keep expectations low. This is the time to formulate your goals, taking past experiences into account.

Am I unsuited for the task at hand?

You may not have all the necessary information or training. It's crucial to make a plan for mental self-improvement. Overcome this challenge and you will become an expert.

What if other people seem cleverer than me?

Don't be defensive about what you know or don't know. Ask questions - you will not be judged. With this attitude you can learn a lot from others and advance quickly.

Is this the right time to ask for something?

You are likely to get a No. This is not a good news day. Prepare your case, yes, but wait for a more auspicious day to present it.

Transiting Sun challenges your Pluto

POWER AND SURVIVAL: Irrevocable decisions are made today... it could be a question of survival. You are drawn to the forbidden as a moth is drawn to the flame.

Should I continue with a situation that has been draining me?

No, you should not. Even if it means pain and trauma, this is the time to make a conscious decision to eradicate those areas of your life that have outlived their usefulness.

Can I cope with the pressure on me right now?

You can. But decisions are necessary. Your survival abilities are called for, and that means being ruthless and unsentimental. After the darkness comes the light.

Shall I reveal the inner turmoil to others?

This is a good period for therapeutic contact, but you

could disturb those close to you if you reveal all. A therapist can handle it, a loved one maybe can't.

Transiting Mercury conjoins your Moon

WORDS INTO FEELINGS: Express yourself with your family. Capitalize on your ability to tune into people's needs. You can understand what moves you deeply now.

Is it time for work or play?

Quality time with family and young people catches the day's energies best. Otherwise it's good to be in contact with those you care for.

How should I handle emotional issues?

Give your emotions mental clarity. Don't let vague feelings rule... express your feelings rationally, and as clearly and concisely as possible.

Should I express what I am feeling?

Yes, you must. By discussing what moves you, you can gain understanding and objectivity.

23-04-2022

Transiting Mars conjoins your Mars

REINVIGORATION: You may encounter trouble, but it's just a test of strength. Mobilize your body and your willpower and embark on new courageous projects.

Have I got what it takes to handle challenges?

You bet you have! Celebrate your strength anyway you know how. Sport, sex, and competition reaffirm the fighting spirit within you.

Where shall I channel my energy now?

You stand before new challenges. The past is firmly behind you, the future stretches ahead. Don't indulge any weakness whatsoever. You will! You can!

How shall I deal with confrontation?

Don't back off. Earn the respect of your peers now by standing up to aggression. Demonstrations of strength now can have repercussions over the next two years.

Transiting Venus positive your Saturn

REAL VALUE: It's the lasting commitment that brings steady growth. Invest in solid resources. Keep expectations realistic. In business or love - slow success.

How can I make my career prosper?

You will be appreciated for your reliability and consistency. Don't ask for recognition - if you shoulder responsibility and organize efficiently, you will be rewarded.

How can I make an impression on my loved one?

Gifts that appreciate in value over the long-term will

win you love. Make a commitment now, and you will find that it will last a long time.

How can I win appreciation from others?

First of all, be open to praise. Don't be cool or defensive. Modesty has its place, but make sure you don't hide your true feelings and needs behind it.

24-04-2022

Transiting Venus challenges your Ascendant

ROMANCE WITHOUT BALANCE: You may have a roving eye today. It's not always that love leads to relationship, and what's the harm in that... enjoy people.

Can I expect benefits from partnership right now?

A loved one adopts a higher profile in your life, bringing love and care. Take time off to appreciate those who introduce you to the good things in life.
